### The Union Warehouse.

The attention of the farmers is directed to the tobacco card of the Union Tobacco Warehouse, Clarksville, Tenn., which will be found in to-day's KENTUCKIAN. The Union is a very popular house and its sales are always considered an index to the state of the Clarksville market. The gentlemen having charge of the Union are all thorough tobaccoists and their influence is extensive with the tobacco growers over the country. Mr. C. P. Warfield, the Superintendent, is well known to nearly every farmer who produces the weed, and his judgment is always consulted when a sale is desired. Mr. J. B. Allen is general agent for this popular warehouse and sees to it that all tobacco coming under his eagle eye is marked "Union Warehouse"—if possible. Mr. Lewis E. Ladd, of Trigg county, is the popular book-keeper of the concern and is too well known among the farmers of his own, and adjoining counties, to need further mention. We will here add, however, that Mr. Ladd is right up to date on tobacco and it is largely through his influence that his house is enabled to handle the enormous quantity of the weed that is yearly sold. The Union's sales will appear regularly hereafter, and those interested would do well to give them a perusal.

Willis Bros., the Madisonville photographers, will come to this city this week to take up their residence, the Hustler says of them: "These young men came here from Carmi, Ills, more than a year ago, being perfect strangers to the people of this community, but since that time have proven themselves to be gentlemen worthy of the confidence of the people, and artists worthy of the patronage of the public, both of which they have received. These young men are high up in their occupation and will be competitors to photographers wherever they go. They go from here to Hopkinsville where they expect to make their future home. We can cheerfully recommend them to the people of Hopkinsville. They may rest assured that they leave Madisonville with the good will and best wishes of the public."

On Feb 21st the citizens of Hopkinsville will have an opportunity of hearing Bishop Dudley deliver his address on the "Historic Christ," his object is to aid the mission work of the colored people in our city, started by the Episcopal church, and the proceeds arising from the sale of tickets will be used in erecting a house for the mission. The Bishop's theme is exhaustless and of interest to all. The object of the mission is to carry light into the lives whose opportunities are few. We trust the citizens of Hopkinsville will aid Bishop Dudley in his efforts by turning out en masse

South Christian.

BEVERLY, KY., JANUARY 18.—Our stirring little village is ever ready to fill its place in the KENTUCKIAN with bits of news and interesting facts.

Dr. Kenner will move his family to Hopkinsville at an early date. He has rented the home of Dr. Seargent on North Main street. The Dr. and his family will be sadly missed in our midst.

Mr. James Bradshaw, while making a sleigh last week, met with quite a painful accident. His hand was badly mashed, and he will probably not be able to use it for some months.

The young people enjoyed the recent snow immensely. Quite frequently we could see sleighs filled with merry-makers making the welkin ring with joyous peals of laughter.

Should any one need a pattern for a unique sleigh, call on Mr. Joe Cheatham who will gladly let you look at his.

Miss Hettie Knight, of Newstead, is attending school at Beverly Academy. She is boarding with Mrs. Mary Watkins.

"Madam Kumor" has it, that one of the enterprising young farmers will soon take unto himself a better half. He has long been wooing his "lady love," and we guess she has decided to journey "West" and relieve the minds of those who donned the guessing cap some time ago.

Last Sunday, Mrs. Pattie Sybert and daughter, Miss Susie, were going to Liberty to attend services. Their horse became frightened and ran away, throwing Mrs. Sybert into the bushes on the roadside and bruising her severely. The buggy was badly damaged.

Miss Lee Sybert is now near Clarksville attending school. She is greatly missed by her numerous friends. Ask Phil, why so sad?

Mr. James Medley was a terror to the game of our parts during the snow. From the number of thanks he received, we would judge that he was amply paid for his pains.

Our society people are looking forward to St. Valentine's day with much delight. High hopes and fond expectations will fill the breast of many of the gallant youths, as they send to their "best girl" a valentine. The home of Mr. and Mrs. Bradshaw has been selected as the place for the party.

Mr. Robt. Kenner went to Bannetstown Sunday.

Miss Minnie Davis, who has been quite sick at her aunt's, Mrs. Robt. Owsley, is much improved.

From outward appearances, Beverly will in the future be proud of her daughters. It is said that two of her most talented young ladies will soon have before the public a book of rare interest. It is entitled "Reveries of Two Old Maids." We hope for them much success in their first effort.

Mr. Robert Owsley has a slight attack of pneumonia. We hope that he will be out again in a few days.

Miss Lizzie Donnell visited friends in the Casky neighborhood last week. The farmers are very busy now stripping and delivering their tobacco.

### KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and \$1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

### Ramblers.

What will other makers do

WITH RAMBLERS AT A 100!

"I will keep their agents mighty blue,

WITH RAMBLERS AT A 100!"

Will people take some cheaper tire

Than "G. &amp; J."—their hearts desire—

To "boost" the maker's profit higher,

WITH RAMBLER AT A 100?

There are others, that is true,

LIKE RAMBLERS—AT A 100—

But none so perfect through and through.

AT RAMBLER AT A 100.

Will riders buy those cheaper made,

With high list price (for the "cutting" trade),

And pass the "leader"—highest grade—

THE RAMBLER AT A 100?

We think not. Respectfully,

THOMPSON &amp; MEADOR.

Pure Bronze Turkeys for sale \$3 a pair. Mrs. Anna Brounagh, Casky, Ky.

Some people may be opposed to the use, and some to the abuse of whiskey, yet its use is often absolutely necessary especially for medical purposes. In such cases, pure unadulterated stuff is needed—not a doctored, drugged combination—and when the I. W. HARPER is used you get the best results, without any bad effects. Its purity and high standard will be maintained because this firm has an enviable reputation which it means to sustain. It can be had at W. R. Long's Hopkinsville, Ky.

In Olden Times  
People overlooked the importance of permanently beneficial effects and were satisfied with transient action; but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system.
